

# CAPABILITY STATEMENT

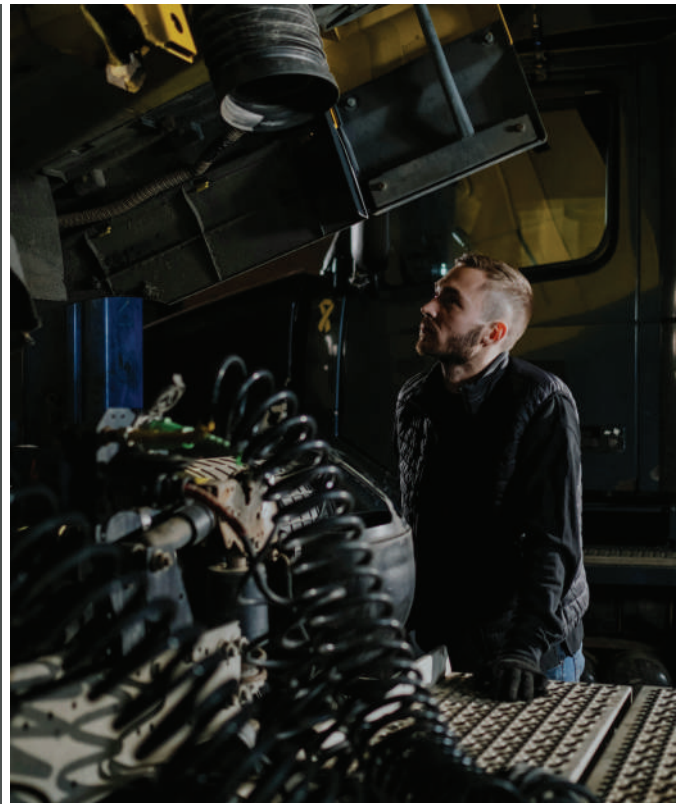

# WHO WE ARE

EWP Australia is a Sydney-based specialist provider of end-to-end solutions for Elevated Work Platform (EWP) trucks. From rebuilds and certifications to sales, hire, maintenance, and financing, we support clients across Australia with reliable, safe, and compliant EWP services.

Founded by industry professionals with deep experience in electrical, mechanical, and compliance fields, we combine technical knowledge with practical execution to ensure our clients are covered from start to finish.

# MISSION

To simplify the EWP lifecycle by offering everything in one place — rebuilds, testing, compliance, sales, hire, maintenance, and finance — with a focus on safety, reliability, and ease of service.

# VISION

To become Australia's most trusted name in EWP solutions by delivering consistent results, high-quality workmanship, and outstanding service to every client, big or small.

# OUR VALUES

## SAFETY FIRST

All work is carried out to the highest compliance standards.

## RELIABILITY

Equipment you can trust to perform every time.

## EFFICIENCY

Fast turnaround, minimal downtime.

## ACCOUNTABILITY

Clear communication and honest service.

## EXPERTISE

Certified professionals who understand your industry.

# WHY CHOOSE

- \* Rebuild and certify any EWP truck to Australian Standards
- \* X-Ray & NDT Testing (non-destructive testing)
- \* LV Insulation Testing
- \* Annual inspections & certifications
- \* Maintenance and repairs (in-house and on-site)
- \* Hire & fleet rental options
- \* Buy or sell EWP trucks with full support
- \* Finance and insurance brokerage available
- \* Fast turnarounds with real-time updates
- \* Based in Sydney, servicing Australia-wide

# SERVICES OVERVIEW

Each of our services is tailored to meet the regulatory and operational needs of our clients.

## REBUILD CERTIFICATION

Complete strip-down and rebuilds of EWP trucks to meet compliance, extend lifespan, and ensure safety.

## TESTING & COMPLIANCE

Boom X-Ray & NDT  
LV Insulation Testing  
Annual inspections  
Certification documentation provided

## MAINTENANCE & REPAIRS

Scheduled servicing, on-site breakdown response, parts replacement, hydraulics, electrics, and more.

## HIRE

Short or long-term hire options available. Fleet maintained to certification standards.

## BUY & SELL

Let us help you source the right EWP truck or sell your existing one with access to our industry network.

## FINANCE & INSURANCE REFERRALS

Partnered with licensed brokers to offer flexible finance and insurance options for your EWP purchase.
